

Save the Date | Tübingen 2026

The Fiesole Retreat arrives in Tübingen on 13-15 April 2026

Following our return to Fiesole and anniversary celebrations earlier this year, we are ready to embark on the next 25 years of Retreats, beginning with Tübingen, Germany, in 2026.

A very warm thank you to Prof. Karla Pollmann, President of the University of Tübingen (<https://uni-tuebingen.de/>), for her generous invitation to host this next step in our journey. We are excited to see where the future will take us.

More details will follow in the coming months. In the meantime, mark your diaries!

You can follow all developments on our conference website at www.fiesoleretreat.org and through LinkedIn, where we will be delighted to welcome you to our Fiesole Retreat discussion group! Search for Fiesole Collection Development Retreat Series or find us at www.linkedin.com/groups/8319979/.

EBERHARD KARLS
UNIVERSITÄT
TÜBINGEN

Innovative, interdisciplinary, international: the University of Tübingen has been a place of top-level research and excellent teaching for more than 500 years. The university maintains exchanges with partners around the globe – both at institutions of higher education and at non-university research institutions, recognising networks and cooperation across faculty and subject boundaries as the pillars of its successful strategy. This is reflected in the university's position in international rankings and as one of the eleven German universities distinguished with the title of "excellent."
